

Coaches who need to get their coaching certification can go to "[baberuthleague.org](http://baberuthleague.org)".

Click on the "**coachescertification**" icon on the left, you will be directed to Cal Ripken,

Once there, click on the "**coaches**" bar just below the top. Then you will look for "**create an account**" in red.

Create your account and then I will need to know the email address you created your account with so I can assign you the course.

**Do Not Buy the Course!** I buy them in bulk and assign them to you this eliminates MYAL with having to reimbursing you for the purchase.

You can go back any time after that and complete the course at your convenience. You don't have to finish it in one sitting; you may go

back as many times as needed. Remember, I only need the email address you created the account with. I don't need the password.

You can contact me if you have an questions and can guide you through the process if you need.

Thank You
